Affordable Family Upgrade

If you have out grown your current residence then put this one on your list to inspect as it represents an affordable upgrade with space for the whole family. Located in a great street within walking distance to sport and recreational grounds there is no excuse to spread your wings. A very functional floor plan includes a WIR and ensuite to the main and built ins to the other three generous bedrooms. The entry foyer leads into a great sized lounge room making a great space for the family to come together as one. The main living hub of the home includes the remodelled kitchen with stainless appliances adjacent to the casual meals space and a great family room that leads out to the covered alfresco area. The garage provides internal access. Rear fenced yard offers plenty of space for kids and pets.
